

X-ray Protocol for Goffs UK 2yo Breeze Up Sale

Please note, veterinarians are responsible for the upload of x-rays to the Goffs Online Repository, this can be done remotely by logging onto <https://vets.goffs.com/>

X-rays uploaded to the repository must be taken no earlier than 17 days before the first day of the Sale. Video endoscopies must be taken no earlier than 17 days before the first day of the sale. So both x-rays and video endoscopies can be submitted, once taken on/after the 4th April.

All x-rays and video endoscopies should be taken and submitted in advance of the sale.
