

X-ray Protocol for Goffs UK 2yo Breeze Up Sale

There is no minimum plate requirement for submitting a lot's x-rays to the Goffs Online Repository. A list of recommend plates shown below.

Please note, veterinarians are responsible for the upload of x-rays to the Goffs Online Repository, this can be done remotely by logging onto <https://vets.goffsuk.com/>

X-rays uploaded to the repository must be taken no earlier than 17 days before the first day of the Sale. Video Endoscopies must be taken no earlier than 17 days before the first day of the sale.

- x-rays can be submitted on/after the 8 April 2024.
- Video endoscopies can be submitted on/after the 8 April 2024

All x-rays and video endoscopies should be taken and submitted in advance arrival.
